We take this opportunity of drawing attention to the following specially interesting back numbers, which have been in special demand. We are prepared to supply any of these at a uniform rate of 1/- a copy, post free, whilst they last.

Date	Chief Feature
1925 May	A Survey of the Lighting of 800 Retail Shops (W. Jones and H. Lingard).
July	Natural and Artificial Sunlight in Health and Disease (C. W. Saleeby).
1926 April	Stage Lighting (H. Lester-Groom).
1927 January	Flood Lighting (W. J. Jones, H. Lingard and T. Catten).
February	The Illuminating Engineering Movement in England (A record of papers read before the Illuminating Engineering Society from 1909 1927).
May	Artificial Light as an Aid to Aerial Navigation (H. N. Green).
1928 January	An Investigation of Electric Lighting in the Engineering Industry (J. L. H. Cooper).
May	The Manufacture and Properties of Glass and their Application to Illuminating Engineering; Part I (Dr. S. English).
June	Daylight, Artificial Light and Artificial Daylight (J. S. Dow).
August	Association of Public Lighting Engineers (Conference in Sheffield).
1929 January	The Application of Electric Light to Advertising (H. Lingard).
April	Architectural Lighting (Waldo Maitland).
June	The Manufacture and Properties of Glass and their Application to Illuminating Engineering; Part II (S. English).
October	Association of Public Lighting Engineers (Conference in Bournemouth).
1930 February	The Art of Stage Lighting (Harold Ridge).
April	Modern Incandescent Lighting in Kinema Studios (W. A. Villiers).
October	Association of Public Lighting Engineers (Conference in Leicester).
1931 March	Recent Developments in Gas Lighting (E. L. Oughton).
May	Modern Domestic Lighting (H. T. Young).
July	Reports on the Natural and Artificial Lighting of Schools.
Oct. and Nov.	The International Illumination Congress.

The stock of copies of the journal prior to 1925 is now extremely limited; some individual copies are completely out of print. We have, however, a few bound volumes and a number of single copies still available. Particulars and prices of these will be furnished on application.
